Establishment of 24x7 women helpline number and security system in the campus for providing safety to students and female faculty and non-teaching faculty

The institution has set up a women cell with senior female faculty members to safeguard and promote the well being of all female staff members and students of the college. The cell holds the responsibility of conducting awareness programme on gender equality and addresses the complaints in order to take appropriate actions. The Cell may form or modify the guidelines for redressal of the grievance as required from time to time. The helpline no 9965590018 can be used by female staff members and students to lodge complaints to the women cell which conducts meeting to resolve the problems.
