6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizingthe quality assurance strategies and processes

The institute attempts to focus on imparting quality education, through its innovative, comprehensive and flexible education policy. Its Internal Quality Assurance Cell (IQAC) carries out activities that encompass all aspects of the Institute's functioning.

The IQAC has been performing the following tasks on a regular basis:
- Improvement in quality of teaching and research by regular inputs to all concerned basedon feedback from students.
- Providing inputs for best practices.
- Providing inputs for Academic and Administrative Audit and analysis of results for the improvement.

The IQAC has immensely contributed in the implementation of quality assurance strategies and processes at all levels.

The Institute IQAC meets regularly once in three months.

The Institute's IQAC prepares, evaluates and recommends the following for approval by the Institute and the government concerned statutory authorities:

Annual Quality Assurance Report (AQAR)

Annual Quality Assurance Report (AQAR)

Self-Study Reports of various accreditation bodies (ISO 9001, UGC 12b, NAAC, NIRF, NBA)

Performance Based Appraisal System (PBAS) for Career Advancement Scheme (CAS)

Stakeholder feedback

Process Performance & Conformity

Action Taken Reports

New Programmes as per National Missions and Govt. Policies

The two examples of practices institutionalized as a result of IQAC initiatives are as follows:

IQAC led the efforts to acquire the ISO Certifications in the last five years.

The Institute IQAC planned, organized and executed the necessary steps that included the preparation of detailed quality manuals, identification of key performance indicators and mapping the various processes across the entire functioning of the Institute.

IQAC led the efforts to acquire the ISO Certifications in the last five years.

The Institute IQAC planned, organized and executed the necessary steps that included the preparation of

detailed quality manuals, identification of key performance indicators and mapping the various processes across the entire functioning of the Institute.

The IQAC led efforts to the successful implementation of modern technology in the Institute's administrative functioning through ICT and alternative sources of energy, especially the enhancement of solar power. Automation of financial and examination processes, up gradation of Wi-Fi facilities, have significantly contributed to an enhanced quality of teaching-learning experience.

INITIATIVES

IQAC - Academic Audit

IQAC – Administrative Audit

IQAC – Industry Institute Interaction

IQAC – Question Paper   and Answer Script Audit.

IMPACT

Rigorous training for Placements from II year onwards

Organizing Hackathons / Project competitions

Introduction of Career Enhancement Courses in every semester from II year onwards

Improved academic environment by the way of self-learning

More practical oriented

Improved internship opportunities

Improved placements

Improved competitive spirit and participation

Improved Innovative thinking and implementation

Transparency in evaluation and academic process

Exposure to the outside world

Enhanced knowledge due to skill development courses
