

Student Activities

A Student Committee is a group of selected volunteer students working together with an advisor within the framework of the organization to provide a means for student expression and assistance in College affairs and activities, give opportunities for student experience in leadership and encourage student / faculty / community relations. Student Volunteers disseminate information from committee to all students. They discuss with the teachers in planning, organizing and executing various student oriented activities. Various academic, social cultural events are monitored in the college and all extracurricular activities are coordinated. Student council plays a significant role as volunteers to conduct conferences, workshops, sports events and other functions.

Contribution of the Student Council in Academic Administration and Coordination for

1. Day to day academic activities at the student's level
2. Communicating the information between students and Teaching faculty
3. Conducting special events like Symposium etc.
4. Organizing Cultural events, annual day functions.
5. Organizing Sports & Games for the students
6. Arranging Industrial Visits for the students
7. Inviting the external guest speakers and organizing the Seminars & Workshops.
8. Grievances Redressal Cell and Anti-ragging Committee-
9. NCC Committee
10. NSS Committee

Literary Club

The literary club is a paradise for thinkers, readers, and writers. The club members get opportunities to develop their communication skills by involving themselves in various events such as Skit, Slogan writing, Story writing / Play Writing, Paraphrasing a poem, etc. It is a forum where students are free to think, read and write on the topics of their interest and choice.

Photography Club

Photography is an art that empowers us to capture and cherish treasured moments for life, and present them from an alternate and creative perspective. The club welcomes everyone with an interest in photography, regardless of their experience, to join and discover the picturesque language of this art. The club organizes events such as exhibitions, photo-walks, field trips, lectures, and workshops by visiting artists and also encourages collaborative projects and peer to peer portfolio reviews.

Eco Club Eco Club is to empower members to pursue their interest in the world of science in a shared platform. As a member of this club, the students study natural history, biological and earth science systems, and practice field methods while engaging in club activities such as Wealth from waste, Recycled products and so on.

Fine Arts Club

The club provides ample opportunities to those with artistic inclination to hone and flaunt their skills with music & dance, art and craft, etc. The club intends to rekindle the spark of creativity in an individual which is a relish not just for the sake of art but for enjoying its beauty in life.

Sports Club

The sports club is a zealous group of talented sportspersons who promote team spirit, leadership, and fitness. The club promotes equal participation of boys and girls in all sports. Various sports and recreational activities of the club enable students to understand the value of time, precision, coordination and teamwork. The expert guidance and adequate practice enables them to be champions of Zonal, state and national levels.

Social Club

Sharing and caring is the underlying essence of this student led club which aims to build responsiveness among students to support the underprivileged. The club promotes intercultural relations and welfare of students and society. Various charity drives such as visit Old age homes, orphanage homes are organized regularly to help the needy and awareness camps are arranged to serve the society.

Innovators Club

The club focuses on the application and development of technical knowledge of students. The club enables developers to discuss their current projects, current events in the application & development in industries, and occasionally host talks from experts in the field. The members of the club work to create and develop their ideas into user friendly products that are interested in helping each other learn and grow.

Hostel Committee

They play major role regarding food quality, hygiene and other general facilities. They voluntarily monitor day to day activities and bring to the notice of the warden immediately.

Class Interaction Committee (CIC): It consists of HOD, faculty handling the particular section and student representatives in each class. They discuss the conduct of class work, delivery of lecture and overall discipline. Based on the minutes of the CIC meeting, action is initiated to improve the academic performance of the class.

The National Cadet Corps Students are encouraged to join in NCC, aiming at the development of leadership, character, comradeship, spirit of sportsmanship and the ideal of service, among the youth.

National Service Scheme NSS is also encouraged in the institute enabling the student to participate in service activities like organizing blood donation, rural health & sanitation, adult education, and environmental awareness camps in the neighboring areas as a social responsibility.

In addition to the above, the students volunteer themselves in organizing Technical fest, Cultural fest and National Level Sports fest. Student members of all professional societies and student clubs actively take part in hosting their respective events.
